Report of Principal and School Improvement Council

New Heights Middle School is a 6-8 school in the Upper Pee Dee. It was classified as at risk but is now considered average in both the absolute and growth ratings as judged by PASS scores. We have made great strides in the number of discipline referrals and parent involvement has grown exponentially both in conference attendance and organized PTO activities.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
